COMPLETION CERTIFICATE

It is hereby affirmed that the NGO, Helpline Health Care Society, Assam, completed the Household Survey under Child Tracking System (CTS) in the urban areas of the town, Tinsukia during the months of January and February, 2013. The enumerators engaged by the NGO were guided and assisted by the SSA functionaries of Tinsukia Urban Block particularly the CRCCs concerned, RT (IE), RP (IE) and the IE volunteers at the time of household visit, cross verification, data summarization, packaging of ICR formats etc. The efforts made by the NGO officials were at the highest level for which the entire survey process came to an end with maximum coverage of households as well as the floating database in the allotted areas.

It is expected that these informations on the children will invariably lead to develop an effective mechanism for tracking them to keep under the fold of education in the days to come.
